

SCOUTERS OF THE ISAAC DAVIS TRAIL

TO: All SCOUTS and SCOUTERS

Of the forty million youth enrolled in the International Scouting Organization, only a few have the opportunity to participate in birthday celebrations at the birthplace of our nation. The Scouters of the Isaac Davis Trail invite you to participate in such an event to commemorate Patriot's Day 2018.

The Isaac Davis Trail that will be hiked on **Monday, April 16th** is the authentic seven-mile trail traveled in 1775 by Captain Isaac Davis and his now famous Citizen-Soldiers. March from Captain Davis' homestead on Hayward Rd. in Acton, Massachusetts with hundreds of other Scouts to the historic Old North Bridge in Concord where "The Shot Heard Round the World" was fired.

As part of this experience, Scout units are invited to participate in the **Isaac Davis Camporee starting Sunday, April 15th at 10am** and ending Monday after returning from the hike. Hikers receive a patch and are eligible for earning the Isaac Davis Trail metal.

Registration Information: To register your Scout unit please send the form below by **April 7th deadline**

- Camporee and hike: \$10 per person; covers the entire event, bus, and patch
- A non-refundable **\$25 deposit** is required with the camporee registration.
